Buy An Uncertain Glory: India and its Contradictions Book ...

An Uncertain Glory is a look at India from the bottom up and from the lens of development economics. The authors use a large data set to show that despite its strong GDP growth India is a country that has many population segments which suffer poverty on par with that of sub-sahara africa.

[An Uncertain Glory]: India in Comparative Perspective | BLOG

An Uncertain Glory time to doubt India's capacity to run a functioning democracy. A second challenge was to avoid the danger of chaos and conflict, or even a violent break- up of the country. There is a long history - stretching over thousands of years - of cultural affinities across India,

Book Review:An Uncertain Glory: India and its ...

InAn Uncertain Glory, two of India's leading economists argue that the country's main problems lie in the lack of attention paid to the essential needs of the people, especially of the poor, and often of women. There have been major failures both to foster participatory growth and to make good use of the public resources generated by economic growth to enhance people's living conditions.

An Uncertain Glory: India and its Contradictions is an enlightening book that tells its From two of India's leading economists, Jean Drèze (Hunger and Public Action) and Nobel Prize-winner Amartya Sen (The Idea of Justice), An Uncertain Glory is a passionate, considered argument for the need for a greater understanding of inequalities in India, despite economic development.

Book Review | An Uncertain Glory: India and its Contradictions

An Uncertain Glory thus, is equally of interest for readers coming from economic, social and political background as it reveals the story of India's development. There has been an implied notion amongst political and economic logics which believes that the benefit of economic development will eventually trickle down from the higher levels to the grass roots leading to development with a broader base.

An Uncertain Glory | Princeton University Press

The book: *An Uncertain Glory; India and its Contradictions* (Published August 11th 2013 by Princeton University Press) is a joint work of the two eminent scholars which highlights the fissures in the glorified development story of India since Independence. It critically examines the challenges facing the third largest economy in the world and the second largest in Asia.

An Uncertain Glory India And

An Uncertain Glory is a look at India from the bottom up and from the lens of development economics. The authors use a large data set to show that despite its strong GDP growth India is a country that has many population segments which suffer poverty on par with that of sub-sahara africa.

A New India? - Princeton University

Description : From two of India's leading economists, Jean Drèze (Hunger and Public Action) and Nobel Prize-winner Amartya Sen (The Idea of Justice), *An Uncertain Glory* is a passionate, considered argument for the need for a greater understanding of inequalities in India, despite economic development. When India regained independence from colonial rule in 1947, it immediately adopted a firmly democratic political system, with multiple parties, freedom of speech and extensive political rights.
