Selecting the Appropriate Owner's Manual To get an owner's manual for your generator, first determine the model name. All Honda generators have a model name with a prefix that starts with "E" such as EB5000, EU1000i, or EG5000. The model name is usually on the case, fuel tank, or near the control panel.

Use only a Honda approved parallel operation cable kit (optional equipment) when connecting two EU3000iS generators for parallel operation. Never connect different generator models. The exhaust system gets hot enough to ignite some materials. Keep the generator at least 3 feet (1 meter) away from buildings and other equipment during operation.
